

CERTIFICATE OF ATTENDANCE

The **American Institute of Aeronautics and Astronautics (AIAA)** is the world's largest technical society devoted to the global aerospace community. AIAA conferences represent the aerospace industry's most important conference venues for business, government, and technology leaders presenting research results and cutting-edge developments in engineering endeavors in the aerospace community.

This certificate attests that

Akshay Anand

Attended the

AIAA SCIENCE AND TECHNOLOGY FORUM
11-15 & 19-21 January 2021
Virtual Event

Sandra H. Turner
AIAA Forum Registrar

*It is the responsibility of the forum participant to determine the applicability and credit hours claimed as a result of forum participation for qualification to his/her states and international requirements for ongoing professional engineering continuing education.
